SUPPORTED FILE FORMATS

Supported file formats:

A wide range of file formats are acceptable: Word, WordPerfect, RTF, TXT, LaTeX2e, AMSTeX, XLS, PPT, PDF and other more.

Colour and Black and white figures / images: TIFF, EPS and Postscript, .JPG, JPEG, .GIF or .PICT format are acceptable.

If you use an unsupported file format, e.g., from Corel Draw, please convert your file to one of the supported file formats indicated above. Do not use graphics format for the manuscript file; the manuscript must be uploaded to the system in word processor format. Figures are not to be included in the manuscript text file; all figures must be submitted separately from the text file. Please submit only one .TEX file.
